Kelley,

This was the latest email I had on the R2 MBAS Supplemental Round 1 Review. I don't think we receive a response back confirming R2's response for us to send the final acceptance email.

1. The spike level is 0.5 mg/L.
2. The AM should not be present. The time for batch B205146 at the bottom of the spreadsheet should be 13:17.

Please let me know if you have any questions.
